We provide Information Technology (IT) and Research and Development (R&D) services to assist U.S. Government agencies in meeting their technology and cybersecurity needs. Drawing on more than 35 years of experience, we provide services throughout the United States and the Pacific Rim with a focus on quality and innovation.

### DIFFERENTIATORS

- Leadership:** Corporate team has been serving federal agencies since 1988
- Location:** CONUS and OCONUS reach, with key satellite offices nationwide
- Experience:** Executives and managers have 100+ years of proven success
- Responsive:** Structured to quickly address clients' needs on complex projects
- Capable:** Small business flexibility with large business reach and resources
- Proven:** A growing portfolio of satisfied customers in public and private sectors

### NHO 8(a) SOLE SOURCE ADVANTAGE

- ✓ **TRUST:** You gain an 8(a) partner with a proven record of quality performance
- ✓ **QUALITY:** Mature corporate structures, certifications, and processes in place
- ✓ **EASE OF USE:** A Sole Source vehicle with awards not subject to protest
- ✓ **FLEXIBILITY:** Ability to direct award contracts up to \$150M within the DoD
- ✓ **RAPIDITY:** Smooths transitions by significantly reducing project startup times
- ✓ **REACH YOUR GOALS:** Assists with meeting NDAA socioeconomic goals
- ✓ **COMMUNITY:** Profits fund educational programs benefitting Native Hawaiians
